

## CLINICAL NEUROPSYCHOLOGY SEMINAR SERIES 2008

### Transcranial Magnetic Stimulation: Basic Principles for Understanding Applications in Psychology & Psychiatry

**Dobrivoje Stokic, MD, DSc**  
**Wednesday, September 24, 2008**  
**NOON**

**Methodist Rehabilitation Center Second Floor Conference Room**

#### **Series Objective:**

Promote clinical excellence for patients receiving neurological rehabilitation by:

1. Enhancing knowledge of brain-behavior relationships
2. Enhancing the ability of clinicians to critique the scientific literature
3. Enhancing knowledge of evidenced based practice for treating patients in rehabilitation settings

#### **Learning Objectives:**

Participants will be better able to:

1. Describe principles underlying application of transcranial magnetic stimulation (TMS)
2. Describe physiological changes produced by different TMS protocols
3. Discuss some applications of TMS in psychology and psychiatry

**Commercial Support:** Neither Dr. Stokic nor members of the planning committee have commercial support relationships to disclose.

#### **Tuition: \$25.00**

**Refund / Cancellation Policy:** Full refunds will be granted up to 9/10; after 9/11, no refund will be granted; however, a qualified substitute participant will be accepted. MRC reserves the right to cancel a program or make modifications to the advertised agenda as long as these do not substantially alter the activity.

#### **Continuing Education Credit**

Satisfactory completion of this activity requires a minimum attendance at 90% of the lecture and completion of an activity assessment and self assessment of achievement of learning objectives. Satisfactory completion of the activity is required for continuing education credit to be awarded.

#### **Physicians:**

Methodist Rehabilitation Center is accredited by MSMA to provide CME for physicians. Methodist Rehabilitation Center designates this education activity for a maximum of 1 AMA PRA Category 1 Credit(s)TM. A physician should claim only those hours of credit that he/she actually spent in the educational activity.

#### **Psychologists:**

Methodist Rehabilitation Center is approved by the American Psychological Association to offer continuing education for psychologists. Methodist Rehabilitation Center maintains responsibility for this activity.

Methodist Rehabilitation Center sponsors this activity for 1 hour of continuing education for psychologists

#### **Physical Therapists:**

The Mississippi Board of Physical Therapy accepts education approved for CME by the AMA or its components. This activity was designated by Methodist Rehabilitation Center for 1 AMA PRA Category 1Credit(s)TM; as such it qualifies for 1 contact hours of continuing education for physical therapists or physical therapy assistants for the 2008-2009 license renewal period.

**Accommodations:** In accordance with the ADA requirements, if you require special services, contact our office at least one week prior to the date of the presentation

To register contact: **Lisa Nichols at 364-3550 or e-mail [lnichols@mmrc rehab.org](mailto:lnichols@mmrc rehab.org)**

Methodist Rehabilitation Center has twice been named one of America's Best Hospitals by U.S. News & World Report, and it's one of only two in the state accepted into the prestigious Council of Teaching Hospitals. The center's 9-year designation as one of only 16 Traumatic Brain Injury Model (TBI) System sites in the nation also has put MRC on the forefront of exciting improvements in the treatment of TBI.
