

## CLINICAL NEUROPSYCHOLOGY SEMINAR SERIES

2010

### Cognitive and Physical Decline Related to Corticobasal Degeneration: Diagnostic and Treatment Considerations

Adriana Yon, PhD

Wednesday, March 3, 2010

NOON

Methodist Rehabilitation Center / Second Floor Conference Center

#### Series Objective:

Promote clinical excellence for patients receiving neurological rehabilitation by

1. Enhancing knowledge of brain-behavior relationships
2. Enhancing the ability of clinicians to critique the scientific literature
3. Enhancing knowledge of evidenced based practice for treating patients in rehabilitation settings
4. Enhancing knowledge of evidenced based practice for treating patients in rehabilitation settings

#### Learning Objectives:

Participants will be better able to:

1. Describe the physical and cognitive symptoms of corticobasal degeneration
2. Compare and contrast the nature and progression of corticobasal degeneration with other, more common, neurodegenerative disorders
3. Describe interventions that may be helpful in slowing the decline of physical functioning and improving quality of life in patients with corticobasal degeneration.

#### Commercial Support

Neither Dr. Yon nor members of the planning committee have commercial support relationships to disclose.

#### About the speaker:

Adriana Yon, PhD is currently in her first year of a postdoctoral fellowship in clinical neuropsychology at the G.V. (Sonny) Montgomery VAMC. Adriana completed her doctoral degree in clinical psychology from the University of Alabama in August 2009. Prior to her current position, Adriana completed an internship emphasizing geropsychology at the North Florida/South Georgia Veterans Health System in Gainesville, FL.

#### Continuing Education Credit

Satisfactory completion of this activity requires a minimum attendance at 90% of the lecture and completion of an activity assessment and self assessment of achievement of learning objectives. Satisfactory completion of the activity is required for continuing education credit to be awarded.

**Physicians:** Methodist Rehabilitation Center is accredited by MSMA to provide CME for physicians. Methodist Rehabilitation Center designates this education activity for a maximum of 1 AMA PRA Category 1 Credit(s)TM. A physician should claim only those hours of credit that he/she actually spent in the educational activity

**Psychologists:** Methodist Rehabilitation Center is approved by the American Psychological Association to offer continuing education for psychologists. Methodist Rehabilitation Center maintains responsibility for this activity.

Methodist Rehabilitation Center sponsors this activity for 1 hour of continuing education for psychologists

**Occupational Therapists:** Methodist Rehabilitation Center is an AOTA Approved Provider of continuing education. This activity is designated for .1 AOTA CEU. The assignment of AOTA CEUs does not imply endorsement of specific course content, products or clinical procedures by AOTA.

**Physical Therapists:** The Mississippi Board of Physical Therapy accepts education approved for CME by the AMA or its components. This activity was designated by Methodist Rehabilitation Center for 1 AMA PRA Category 1Credit(s)TM; as such it qualifies for 1 contact hours of continuing education for physical therapists or PTA for the 2009-2010 license renewal period.

#### Speech-Language Pathologists:

Methodist Rehabilitation Center is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This activity is offered for .1 ASHA CEU (Intermediate level; Related area)

**Tuition: \$25.00; contact Lisa Nichols to register – 601-364-3550 or [lnichols@mmrc rehab.org](mailto:lnichols@mmrc rehab.org)**
