

The Wound Care & Hyperbaric Center AT RIVER OAKS

Co-Host:

Myths and Misconceptions of Pressure Ulcer Formation and Treatment
Caroline E. Fife, MD

April 10, 2008 / 5:00 – 6:30 PM
Methodist Rehabilitation Center – Second Floor Conference Room

Discussion will focus on misunderstandings regarding how to use the NPUAP staging system, the pathophysiology of how pressure ulcers form and that stage III and IV pressure ulcers do not progress from earlier stage pressure ulcers.

Agenda

- 4:30 Registration
5:00 Lecture
6:30 Evaluation & Adjourn

Objectives

- At the conclusion of the lecture, participants should be better able to:
1) Describe the pathophysiologic process by which deep pressure ulcers form
2) Identify the pitfalls in pressure ulcer staging using the NPUAP staging system
3) Discuss current national treatment standards for pressure ulcer treatment

Caroline E. Fife, MD is Associate Professor of Anesthesiology at the University of Texas Houston Medical School, the Director of Clinical Research at the Memorial Hermann Center for Wound Healing and Hyperbaric Medicine, Houston, Texas and an Adjunct Assistant Dental Oncologist and Assistant Professor of Dental Oncology in the Division of Surgery and Anesthesiology at the MD Anderson Cancer Center in Houston.

Target Audience: This talk is targeted to physicians, nurse practitioners and nurses specializing in wound care.

Continuing Medical Education Credit
Sponsored by Methodist Rehabilitation Center

Physicians

Methodist Rehabilitation Center is accredited by MSMA to provide CME for physicians. Methodist Rehabilitation Center designates this education activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)TM. A physician should claim only those hours of credit that he/she actually spent in the educational activity.

Nurses:

This activity was approved for 1.5 contact hours of continuing education credit by Methodist Rehabilitation Center, which is an approved provider of continuing nursing education activity by the Mississippi Nurses Foundation, Inc., an accredited approver by the American Nurses Credentialing Center Commission on Accreditation. Accredited status refers only to continuing nursing education activities and does not imply ANCC Commission on Accreditation approval or endorsement of any commercial products.

Tuition: Tuition is complimentary; There is a \$25 fee for CE certificate
Registration: Registration in advance is appreciated. CME certificates will be mailed upon receipt of activity evaluation and payment.

Cancellation Policy:

MRC reserves the right to cancel or modify the advertised agenda as long as this does not substantially affect the objectives.

To register, contact: Lisa Nichols at 601-364-3550 or e-mail lnichols@mmrrehab.org

Accommodations: In accordance with the ADA requirements, if you are disabled and require special services, contact our office at least one week prior to the date of the presentation.

Disclosure: Dr. Fife discloses the following: She is on the speakers' bureau for KCI, organogenesis, and RW Johnson. She receives research funding from KCI. She serves on the advisory board for Tissue Repair Company and is a major stock holder in Intellicure. All potential conflicts of interest have been resolved. The planning committee members have no potential conflicts of interest to disclose related to this lecture.
