

Hemiplegic Shoulder Pain during Inpatient Stroke Rehabilitation

September 23, 2009

Agenda

11:45 Registration
12:00 Lecture
1:00 Evaluation & Adjourn

General Description:

This session will address current research related to the phenomenon of post stroke shoulder pain.

Objectives

At the conclusion of the lecture, participants should be better able to:

1. Describe mechanisms of shoulder pain following stroke
2. Describe the rationale for early recognition and management of stroke shoulder pain
3. Describe objective tests for shoulder pain that may be used before patients complain of pain.

Alexander W. Dromerick, MD, is the director of the Neuroscience Research Center, director of the Comprehensive Stroke Research Program at National Rehabilitation Hospital, and Professor of Medicine at Georgetown University in Washington DC. He also serves as the director of the Stroke Rehabilitation Liaison Service at Washington Hospital Center. He is board certified by the American Board of Psychiatry and Neurology. His research interest and publications are related to stroke recovery.

Disclosure: Presenters and planning committee members participating in continuing medical education activities sponsored by Methodist Rehabilitation Center are expected to disclose to the activity audience any real or apparent conflict(s) of interest related to the content of their presentation. The planning committee members and speakers have signed disclosure agreements and have stated they have no conflicting interests related to this education activity.

Continuing Education Credit

Satisfactory completion of this activity requires a minimum attendance at 90% of the lecture and completion of an activity assessment and self assessment of achievement of learning objectives. Satisfactory completion of the activity is required for continuing education credit to be awarded.

Physicians

Methodist Rehabilitation Center is accredited by MSMA to provide CME for physicians. Methodist Rehabilitation Center designates this education activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. A physician should claim only those hours of credit that he/she actually spent in the educational activity.

Psychologists:

Methodist Rehabilitation Center is approved by the American Psychological Association to sponsor continuing education for psychologists. Methodist Rehabilitation Center maintains responsibility for this program and its content. This activity is designated for 1 hours of continuing education for psychologists.

Nurses:

This activity was approved for 1 contact hours of continuing education credit by Methodist Rehabilitation Center which is an approved provider of continuing nursing education activity by the Mississippi Nurses Foundation, Inc., an accredited approver by the American Nurses Credentialing Center Commission on Accreditation. Accredited status refers only to continuing nursing education activities and does not imply ANCC Commission on Accreditation approval or endorsement of any commercial products.

Occupational Therapists:

Methodist Rehabilitation Center is an AOTA Approved Provider of continuing education. This activity is designated for .1 AOTA CEU. The assignment of AOTA CEUs does not imply endorsement of specific course content, products or clinical procedures by AOTA.

Physical Therapists:

The Mississippi Board of Physical Therapy accepts education approved for CME by the AMA or its components. This activity was designated by Methodist Rehabilitation Center for 1 AMA PRA Category 1 Credit(s)™; as such it qualifies for 1 contact hours of continuing education for physical therapists or PTA for the 2009-2010 license renewal period.

Tuition: \$25 To register contact: Lisa Nichols at 601-364-3550 or e-mail lnichols@mrc rehab.org

Refund/Cancellation Policy:

Registration is considered complete upon receipt of tuition. Full refunds will be granted up to 12/24/08. After 12/24/08, no refund will be granted; however, a qualified substitute participant will be accepted. MRC reserves the right to cancel or modify the advertised agenda as long as this does substantially affect the objectives. MRC will grant a timely refund to all fully registered individuals if applicable.

Accommodations: In accordance with the ADA requirements, if you are disabled and require special services, contact our office at least one week prior to the date of the presentation.
