

## CLINICAL NEUROPSYCHOLOGY SEMINAR SERIES 2010

### **Thalamus: An Anatomical Review and Clinical Considerations** **Joy Clark, PhD**

**Wednesday, April 14, 2010**  
**NOON**

**Methodist Rehabilitation Center / Second Floor Conference Center**

#### **Series Objective:**

Promote clinical excellence for patients receiving neurological rehabilitation by

1. Enhancing knowledge of brain-behavior relationships
2. Enhancing the ability of clinicians to critique the scientific literature
3. Enhancing knowledge of evidenced based practice for treating patients in rehabilitation settings
4. Enhancing knowledge of evidenced based practice for treating patients in rehabilitation settings

#### **Learning Objectives:**

Participants will be better able to:

1. Describe the complexity of the thalamus and its cognitive significance.
2. Describe the extensive connectivity of the thalamus with various areas of the brain.
3. Recognize cognitive/motor symptoms and syndromes associated with thalamic damage.

#### Commercial Support

Neither Dr Clark nor members of the planning committee have commercial support relationships to disclose.

#### **About the speaker:**

**Joy Clark, PhD** is currently a fellow in Clinical Neuropsychology at Methodist Rehabilitation Center. She obtained her PhD in Clinical Psychology from Texas Tech University in August 2009 and completed a clinical internship with the University of Mississippi Medical Center/VA Jackson Psychology Consortium.

#### **Continuing Education Credit**

Satisfactory completion of this activity requires a minimum attendance at 90% of the lecture and completion of an activity assessment and self assessment of achievement of learning objectives. Satisfactory completion of the activity is required for continuing education credit to be awarded.

**Psychologists:** Methodist Rehabilitation Center is approved by the American Psychological Association to offer continuing education for psychologists. Methodist Rehabilitation Center maintains responsibility for this activity.

Methodist Rehabilitation Center sponsors this activity for 1 hour of continuing education for psychologists

**Occupational Therapists:** Methodist Rehabilitation Center is an AOTA Approved Provider of continuing education. This activity is designated for .1 AOTA CEU. The assignment of AOTA CEUs does not imply endorsement of specific course content, products or clinical procedures by AOTA.

**Physical Therapists:** An application for continuing education credit has been submitted to the Mississippi Board of Physical Therapy

#### **Speech-Language Pathologists:**

Methodist Rehabilitation Center is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This activity is offered for .1 ASHA CEU (Intermediate level; Professional area)

**Tuition: \$25.00; contact Lisa Nichols to register – 601-364-3550 or [nichols@mrc rehab.org](mailto:nichols@mrc rehab.org)**
